

FERDY ALWONDHO

Head of IT Apps & Integration

Jakarta, Indonesia f.alwondho@gmail.com +62 821 6276 0450 linkedin.com/in/ferdy-alwondho-50734158

PROFESSIONAL SUMMARY

IT leader with 13+ years across telecommunications, network infrastructure, enterprise systems, and full-stack application development. Currently heading the IT Applications & ERP department at PT Alita Praya Mitra, where I led the AX 2012 to Dynamics 365 F&O migration and built internal web applications (Laravel + Next.js + PostgreSQL) for warehouse and project management. Certified ISO 27001:2022 Internal Auditor. Strong background in PMO governance, microwave rollout, VSAT engineering, and Microsoft enterprise platforms. Additionally available for residential construction project coordination and solar PV + battery system design and installation, drawing on hands-on construction experience and an Electrical Engineering background.

WORK EXPERIENCE

Head of IT Apps & ERP

Jan 2023 – Present

PT Alita Praya Mitra · Jakarta

Leading the IT Application Department end-to-end. Designed and built WMS Next-G (warehouse management system) and upgraded the internal PM/PO Management platform using Laravel, Next.js, and PostgreSQL. Oversee Microsoft Dynamics 365 F&O operations and led the full AX 2012 → D365 FO migration including module configuration and UAT sign-off. As a certified ISO 27001:2022 Internal Auditor, conducts ISMS audits, evaluates security controls, and ensures IT operations align with information security best practices.

Laravel Next.js PostgreSQL Dynamics 365 F&O ISO 27001:2022

Project Management Officer — Nationwide

Apr 2021 – Jan 2023

PT Alita Praya Mitra · Jakarta

Drove project governance and reporting for nationwide XL Axiata network upgrade programs spanning hundreds of sites across Indonesia. Built executive dashboards using Google Workspace and Looker Studio for delivery visibility and stakeholder reporting.

PMO XL Axiata Google Looker Studio Power BI

Regional Project Manager

Jul 2020 – Apr 2021

PT Alita Praya Mitra · East Indonesia

End-to-end execution of microwave transmission rollout across East Java, Bali, NTB, Sulawesi, Maluku, and Papua. Managed vendor coordination, ATP sign-offs, and cross-functional reporting.

Microwave Transmission Multi-province Rollout Project Delivery

Project Coordinator

Dec 2016 – Jul 2020

PT Alita Praya Mitra · Sulawesi Region

Coordinated microwave rollout across Sulawesi. Reviewed network plans (ERM/ECRF) with the design team. Conducted Acceptance Test Procedures (ATP) with customers and vendors.

EPM & CRM Junior Consultant

May 2014 – Dec 2016

Ignite Technology Pte Ltd · Singapore / Jakarta

Implemented Microsoft Project Online (EPM) and Microsoft Dynamics CRM for clients including Cinemaxx Global Pasifik, NEC Asia Pacific, and Trimegah Securities. Delivered system configuration, data migration, and end-user training.

MS Project Online Dynamics CRM Enterprise Consulting

VSAT Engineer

Aug 2011 – Apr 2014

PT Indo Pratama Teleglobal · Nationwide

Installed and maintained VSAT remote sites for the nationwide e-KTP and Rural BTS Indosat–INTI projects. Built network monitoring dashboards using Cacti and WhatsUp Gold.

VSAT e-KTP Indosat Network Monitoring
